Schedule is subject to change and will be continually updated. We reserve the right to combine, cancel or add classes to accommodate enrollment. Class placement is based on many factors including dancer's age, capabilities, maturity and previous experience. Placement is made with the best interest of the student in mind. Please note that during the first few weeks of classes, teachers may recommend that a student be placed in an alternate class to best accommodate their needs.

Competitive companies will not be finalized until the beginning of October to ensure proper placement. **Any student considering future participation in a competitive program should be enrolled in a minimum of 3 classes including ballet, jazz and tap.**
